MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Autoriders International Limited, a well established company in travel & tourism, strive to consolidate its position in the industry by leveraging its service quality through upgrading its product and technology innovation and enhancing its people's capabilities with a view to create value for its customers and stakeholders.

The company achieved gross revenue of over Rupees 65 crores and posted profits for the year. The company is looking at various revenue enhancement and cost containment measures so as to improve its profit.

1. Industry Structure and Development

The Travel & Tourism Industry is one of the highest growing tourist economies in the world with noticeable growth in Foreign Tourist Arrivals. The domestic tourism is on a growth path due to the increasing middle class and disposable income.

Indian car rental market has been growing at a moderate rate over the past years and will remain so. The drivers of growth have been urbanization and convenience of the middleclass population and use of internet and mobile applications.

There has been huge investment in technology based operators with increasing penetration of internet which resulted in considerable growth in this segment. The market size of Radio taxi is expected to witness huge investment and growth.

2. Opportunities & Outlook

The car rental industry has been experiencing major transformation over the past few years with a shift in service concept by use of technology applications and its integration. It is expected that the business is poised for sustained growth in the ensuing years. By fleet upgradation and improvement in operations by system integration, company is hopeful of scaling up of its business in terms of revenue and margins.

Though the Self-drive services have not gained momentum, the company is hopeful of its presence felt in the segment in the coming years.

3. Threats, Risk and Concerns

The company encounter competition from aggregators entering into corporate sector with low rate of app based service delivery. The company is confident of encountering such situation with its several years of customer relations and service delivery.

The increase in competition and the input costs could put pressure on the margin. However the company can manage by taking appropriate measures of monitoring and evaluating various aspects in operations and management, receivable management, human resources and other functional areas which have a direct bearing.

AUTORIDERS INTERNATIONAL LIMITED

4. Impact of Goods and Services Tax (GST)

The Goods and Service Tax (GST) was introduced by the Government during the year. Though GST rate on car rental services have been kept at the same level, GST on input goods and services have negatively impacted the margins of the company.

5. Internal Control Systems

The Company has an internal control system in place which is commensurate with the size and nature of its business. The internal control system ensures that all the assets of the Company are safeguarded from loss, damage or disposition. Checks and controls are in place to ensure that transactions are adequately authorized and recorded and that they are reported correctly. The internal control system is supplemented by an extensive programme of internal audit by a firm of independent Chartered Accountants and external statutory audit which is periodically reviewed by the management and Audit Committee.

The Audit Committee of the Board regularly reviews compliance with the Company's policies, procedures and statutory requirements in consultation with the Statutory Auditors and the Internal Auditors, who also attend the Audit Committee meetings.

6. Financial Performance with respect to Operational Performance

Sales and Profit:

During the year Gross Sales has increased by 7.93% and a decrease of 82.35% was seen in the Net profit due to high operating costs.

Capital Investment:

Capital Investment of ₹ 6.26 Crores were made during the year. The entire capital investment has been made out of financial assistance from Alphera Financial Services and Toyota Financial Services Ltd.

7. Human Resources and Industrial Relations

The Company's HR philosophy is to establish and build a high performing organization, where each individual is motivated to perform to the fullest capacity: to contribute to developing and achieving individual excellence and departmental objectives and continuously improve performance to realize the full potential of our personnel. Industrial relations were cordial and harmonious throughout the year.

8. Cautionary Statement

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectation are "forward looking statement" within the meaning of applicable laws and regulations. Actual results might differ materially from those either expressed or implied.

INDEPENDENT AUDITORS' REPORT

The Members of AUTORIDERS INTERNATIONAL LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of AUTORIDERS INTERNATIONAL LIMITED, which comprises Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss Account and, Cash Flow Statement for the year ended 31st March 2018 and a summary of significant accounting policies and other explanatory information.

Managements' Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act 2013 ("the Act") with respect to the presentation of these financial statements that give a true and fair view of the financial position and financial performance in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies ; making judgments and estimates that are reasonable and prudent ; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the company has in place adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors as well as evaluating the overall presentation of the financial statements as per IND AS.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Qualified Opinion

- *During the year the company has paid service tax pertaining to earlier years and for the year under audit based on self computations, which is inclusive of Interest amounting to Rs. 25.28 lacs but the same is not charged to Profit and Loss account and kept under Other current assets and to be adjusted to profitability of the year in which formal demand is received from the Service Tax department.*
- *Interest on late payments of service tax for the past years, amounting to Rs. 14.01 lacs paid in next year but not provided for in the profit and loss account of the company.*
- *Provision for Leave Encashment is provided on actual working but not on the basis of actuarial valuation as prescribed in the respective Accounting Standard.*

Opinion

In my opinion and to the best of my information and according to the explanations given to me, except for matters reported under basis of qualified opinion as aforesaid, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including IND AS, of the financial position of the Company as at 31st March 2018, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Matters of Emphasis

- The company has not provided liability of Goods and Service Tax on Reverse Charge Mechanism basis during the year for the period from 1st July 2017 to 12th October 2017 on the ground that the same is withdrawn retrospectively as per Notification 38/2017 Dt 13/10/2017 by GST Dept.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) order, 2016 ("The Order") issued by the Central Government of India in terms of sub section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraphs 3 and 4 of the Order.

AUTORIDERS INTERNATIONAL LIMITED

2. As required by Section 143(3) of the Act, we report that :

- a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of audit.
- b. In our opinion proper books of accounts as required by law have been kept by the Company so far as appears from our examination of those books.
- c. The Balance Sheet, Statement of Profit and Loss, Cash Flow Statement and other notes thereon dealt with by this Report are in agreement with the books of accounts.
- d. In our opinion, the Balance Sheet and Statement of Profit and Loss comply with the accounting standards referred to in the Section 133 of the Companies Act, 2013 and read with Rule No 7 of the Companies (Accounts) Rules 2014.
- e. On the basis of representations received from the directors as on Mar 31, 2017 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
- g. There are no other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014.
- i. As per the information and explanations given to us there are no pending litigations other than those disclosed in the financial statements.

ANNEXURE B

**TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE
FINANCIAL STATEMENTS OF AUTORIDERS INTERNATIONAL LIMITED**

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of
Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Autoriders International Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls. Those Standards and Guidance Note require that we comply with ethical requirements and to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls system over financial reporting and their effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls bases on the assessed risk. The procedures selected depend upon the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting system.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control

over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and may not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of the changes in the conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanations given to me and based on my audit the following material weakness have been identified as at March 31, 2018:

- (1) IT controls over the company's database needs to be strengthened through proper use of passwords system and establishing procedures to prevent unauthorized access to or destruction of documents, records maintained in the computers.
- (2) Proper books closure systems to be introduced so as to restrict back dated entries after the book closure.
- (3) Proper authorization systems to be introduced over passing of major journal vouchers so as to ensure proper provisioning and other finalization entries.
- (4) Controls to be maintained over security deposits given or received to ensure proper recovery/ payment or adjustments as per the terms agreed upon their maturity.

In my opinion considering nature of business, size of operation and organizational structure of the entity, except for the effects/possible effects of the material weaknesses described above on the achievements of the control criteria, the company has maintained in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting as at March 31, 2018 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

I have considered the material weaknesses identified and reported above in determining the nature, timing and the extent of the audit tests applied in my audit of the financial statements of

AUTORIDERS INTERNATIONAL LIMITED

the company for year ended March 31,2018, and the material weaknesses does not affect my opinion on the financial statements of the company.

SIGNIFICANT ACCOUNTING POLICIES

a) Basis of preparation

The Financial Statements are prepared in accordance with Indian Accounting Standards (IndAS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015; and other relevant provisions of the Act and Rules thereunder.

These financial statements are the Company's first Ind AS financial statements and are covered by Ind AS 101, first time adoption of Accounting Standards. The transition to Ind AS have been carried out from the accounting principles generally accepted in India ("Indian GAAP") which is considered as the "previous GAAP" for the purpose of Ind AS 101. An explanation of how the transition to Ind AS has effected the Company's equity and its net profit is provided in Note No. 36

The financial statements have been prepared under historical cost convention basis except for certain financial assets and financial liabilities measured at fair value.

Authorisation of Financial Statements: The Financial Statements were authorized for issue in accordance with a resolution of the directors on 30th May 2018.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of products and services and their realisation of cash and cash equivalent, the Company has ascertained the operating cycle to be 12 months.

The financial statements are presented in Indian Rupees, the functional currency rounded off to 2 decimal places.

b) Use of Estimates and judgements.

The preparation of financial statements in accordance with Ind AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the balance sheet and statement of profit and loss. The actual amounts realised may differ from these estimates.

Determination of the estimated useful lives of the Property Plant and Equipments

Useful lives of property plant and equipments are based on life prescribed in Schedule II of the Companies Act, 2013.

c) Taxation

Current tax is determined as the amount of tax payable in respect of taxable income for the year. Deferred tax is recognised, in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred Tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefits will be realized, such deductions are reversed when the probability of future taxable profit improves.

d) Recognition and measurement of provisions

Provisions are recognized when the Company has a present obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of obligation.

Provisions are not discounted to present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Measurement of fair value.

The Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to settle a liability in an ordinary transaction

AUTORIDERS INTERNATIONAL LIMITED

between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that the market participants would use when pricing an asset or liability acting in their best economic interest. The Company uses valuation techniques, which are appropriate in circumstances and for which sufficient data is available considering the expected loss/ profit in case of financial assets or liabilities.

e) Property, Plant and Equipments.

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Costs directly attributable to acquisition are capitalised until the property, plant and equipment are ready for use, as intended by the management.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with expenditure will flow to the asset.

residual values and useful lives of property, plant and equipment are reviewed at regular intervals and changes, if any, are accounted in line with revisions to accounting estimates.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

The cost of property, plant and equipments as at 1st April 2016, the Company's date of transition to Ind AS, was determined with reference to its carrying value at that date.

f) Depreciation

Depreciation on Plant, Property and Equipment has been provided on the straight line method based on the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposition of assets and the resultant gains or losses are recognised in the statement of profit or loss.

The estimated useful lives of assets are as follows:

Computer Equipment	3 Years
Office Equipment	5 Years
Furniture & Fixtures	10 Years
Vehicles	6 Years

g) Intangible assets and its amortization

Intangible assets are stated at cost less accumulated amortization and impairment. The intangible assets are amortized at their estimated useful lives from the date they are available for use. Advances paid towards acquisition of intangible asset are classified as capital advances under other noncurrent assets in balance sheet.

Software are amortized over their estimated useful lives not exceeding 36 months on a straight-line basis from the date they are available for use.

The cost of Intangible assets as at 1st April 2016, the Company's date of transition to Ind AS, was determined with reference to its carrying value at that date.

h) Financial Instruments

The carrying amount of financial assets and liabilities measured at amortized cost in the financial statements are a reasonable approximation of their fair value since the Company does not anticipate that the carrying amounts would be significantly different from the values that would be eventually be received or settled.

Financial Assets

Initial recognition and measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at amortized cost plus transaction costs that are attributable to the acquisition of financial asset.

AUTORIDERS INTERNATIONAL LIMITED

Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortised cost.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime (ECL) at each reporting date. Trade receivable are tested for impairment on a specific basis after considering the allowed credit period, security deposit collected and expectation about future cash flows.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at amortized cost net of transaction costs that are attributable to the respective liabilities.

Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities. The Company classifies all financial liabilities as subsequently measured at amortised cost except for financial liabilities at fair value through profit or loss except for financial liabilities at fair value through profit or loss.

After initial recognition, financial liabilities other than those which are classified as fair value through profit or loss are subsequently measured at amortised cost using the effective interest rate method ("EIR").

Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit & Loss.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit & Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

i) Cash & Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

AUTORIDERS INTERNATIONAL LIMITED

j) Employee Benefits:

Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are recognised in the period in which the employee renders the related service.

Post Employment/Retirement Benefits.

Contribution to Defined Contribution Plans such as Provident Fund, ESIC, etc., are charged to the statement of Profit and Loss as incurred.

Defined Benefit Plans:

In the case of gratuity, which is funded by policy with Life Insurance Corporation of India, for payment of gratuity, a defined Contribution plan the premium paid on the policy is charged to Profit and Loss in the year of payment.

Compensated Absences.

As per Leave encashment policy, are required to encash accumulated leave before the end of accounting year and accordingly form the part of expenses under the head Salaries and wages. However, liability towards leave encashment benefits in respect of unveiled leave is provided in the books and is reimbursed at the end of their tenure as the case may be.

k) Earnings per share

Basic Earnings per Share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends, if any, and attributable taxes) by weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the Equity shareholders is adjusted for after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of shares outstanding during the period are adjusted to the effects of all the dilutive potential Equity Shares.

l) Foreign Currency Transactions:

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. In case of liabilities incurred for the acquisition of fixed assets, the loss or gain on conversion (at the rate prevailing at the year-end) is recognized as income or expenses in the statement of profit and loss. Current assets and liabilities (other than those relating to fixed assets) are restated at the rate prevailing at the year end. The difference between the year-end rate and the exchange rate at the date of the transaction is recognized as income or expense in the statement of profit and loss.

m) Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a Substantial period of time to get ready for its intended use) are capitalized as a part of such assets. All other borrowing costs are charged to the Statement of Profit & Loss.

n) Recognition of Income and Expenditure

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at fair value of the consideration received taking into account contractually defined terms of payment.

Income from services is recognized on the completion of service on the basis of respective agreement, excludes service tax/goods and service tax, as applicable.

Interest income is recognized using Effective Interest Rate (EIR) method.

Revenue/Expenditures are accounted on accrual as they are earned or incurred except in case of significant uncertainties.

o) Cash and cash equivalents.

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

AUTORIDERS INTERNATIONAL LIMITED

p) Provisions, Contingent Assets and Contingent liabilities.

i) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Provisions are not discounted to present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

ii) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the standalone financial statements

Financial Instruments - Fair values and risk management.

A. Accounting classification and fair value.

Carrying amount and fair value of financial assets and liabilities, including their levels in the fair value hierarchy are Presented below. It does not include the fair value information of the financial assets and financial liabilities not measured at Fair value if the carrying amounts is a reasonable approximation of fair value.

AUTORIDERS INTERNATIONAL LIMITED

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based

B. MEASUREMENT OF FAIR VALUE

Valuation techniques and significant unobservable inputs

The Fair Value of the Financial Assets & Liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following details show the valuation techniques used in measuring Level 3 fair values, for financial instruments measured at fair value in the statement of financial position, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Fixed rate borrowings: The valuation model considers present value of expected payments discounted using an appropriate discounting rate.

Security Deposits: The valuation model considers present value of expected payments discounted using an appropriate discounting rate

unquoted equity : Management has considered cost to be approximating to fair value considering the immateriality of such investments.

In the case of trade receivable the fair value is based on the present value and discount rates used are adjusted on own credit risk.

The Company has assessed that the fair value of cash and cash equivalents, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

AUTORIDERS INTERNATIONAL LIMITED

C. Financial Risk Management.

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables.

The main purpose of these financial liabilities is to finance the Company's operations.

The Company's principal financial assets include trade and other receivables and cash and cash equivalents that derive directly from operations, security and other deposits.

The Company's operations expose it to credit risk and liquidity risk. The Company's focus is to reduce volatility in financial statements

1. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's trade and other receivables and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of the historical bad debts and ageing accounts receivable. The maximum exposure of credit risk in the case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing Credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose the company used a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

2. Liquidity Risk

Liquidity risk is the risk that the company will encounter difficulty in meeting its obligations associated with financial liabilities. The company consistently generates sufficient cash flows from operations and has access to multiple sources of funding to meet its financial obligations and maintain adequate liquidity for use.

AUTORIDERS INTERNATIONAL LIMITED

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans and by other means.

36 Transition to Ind AS

These are the Company's first financial statements prepared in accordance with Ind AS. The Company has adopted all the Ind AS and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards.

The transition was carried out from Generally Accepted Accounting Principles in India (Indian GAAP) as prescribed under 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014, "Previous GAAP".

The Significant Accounting Policies set out in Note No.28 have been applied in preparing the financial statements for the year ended March 31, 2018, March 31, 2017 and the opening Ind As Balance sheet on the date of transition i.e. April 1, 2016.

In preparing its Ind AS Balance sheet as at April 1, 2016 and in presenting the comparative information for the year ended March 31, 2017, the Company has adjusted amounts previously reported in the financial statements are prepared in accordance Previous GAAP. This note explains the principal adjustments made by the Company in restating its financial statements prepared in accordance with Previous GAAP, and how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

I) Explanation of transition to Ind AS

In preparing the financial statement, the Company has applied the below mentioned optional exemptions and mandatory exceptions.

Property, Plant and Equipment and Intangible Assets exemption:

The Company has elected to use the exemption available under Ind AS 101 to continue the carrying value for all of its property, plant and equipment and intangible assets as recognised in the financial statements at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition (April 1, 2016).

Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Further, the standard permits measurement of financial assets accounted at amortised cost based on
