MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Autoriders International Limited, a well established company in travel & tourism, celebrating Silver Jubilee year this year (1994-2019) endeavor to enhance its position in the industry by constantly improving its service quality through upgrading its products and technology and its human resources with a view to create value for its customers and stakeholders.

The company achieved Gross Revenue of over Rupees 66 crores and posted profits for the year. The company is looking at various revenue enhancement and cost containment measures so as to improve its profit.

1. Industry Structure and Development

India offers a very large market for Travel & Tourism Industry with diverse portfolio of products which include medical, wellness, adventure, eco-tourism, and rural and religious tourism for domestic and international tourists. Travel and Tourism is a major foreign exchange earner for India. The domestic tourism is on a growth path due to the increasing middle class and disposable income.

Corporate car rental market in India has been growing at a moderate rate over the past years and is expected to sustain marginal growth. The main factors for growth have been strong tie-ups, fixed and long term rentals, leasing and use of online and mobile applications.

Huge investment is being made in technology in deployment and modernization of front and back systems for the development, implementation and execution of strategies and programs capable of delivering operational efficiency, reducing expenses and increasing revenue. The market size of Radio taxi and self-drive models are expected to witness huge investment and growth.

2. Opportunities & Outlook

The car rental industry has been fast evolving with introduction of new business models with advanced technology applications and its integration. Exponential growth is expected for Self Drive and car sharing business in the coming years. Also due to strict emission standards, the introduction of electric cars would further enhance the business opportunities. By competitive fleet management with introduction of new fleet reflecting the current and future market trends and process and system integration, company is hopeful of improving its business in terms of revenue and margins.

3. Threats, Risk and Concerns

The company encounter competition from aggregators entering into corporate sector with low rate of app based service delivery. The company is confident of encountering such situation with its several years of customer relations and service delivery.

The increase in competition and the input costs could put pressure on the margin. However the company can manage by taking appropriate measures of monitoring and evaluating various aspects in operations and management, receivable management, human resources and other functional areas which have a direct bearing.

4. Internal Control Systems

The Company has an internal control system in place which is commensurate with the size and nature of its business. The internal control system ensures that all the assets of the Company are safeguarded from loss, damage or disposition. Checks and controls are in place to ensure that transactions are adequately authorized and recorded and that they are reported correctly. The internal control system is supplemented by an extensive programme of internal audit by a firm of independent Chartered Accountants and external statutory audit which is periodically reviewed by the management and Audit Committee.

The Audit Committee of the Board regularly reviews compliance with the Company's policies, procedures and statutory requirements in consultation with the Statutory Auditors and the Internal Auditors, who also attend the Audit Committee meetings.

5. Financial Performance with respect to Operational Performance

Sales and Profit:

During the year Gross Sales has increased by 2% and an increase in profit 417% was seen in the Net profit.

Capital Investment:

Capital Investment of ` 8.14 Crores were made during the year. The entire capital investment has been made out of financial assistance from Toyota Financial Services Ltd. and HDFC Bank.

6. Human Resources and Industrial Relations

The Company's HR philosophy is to establish and build a high performing organization, where each individual is motivated to perform to the fullest capacity: to contribute to developing and achieving individual excellence and departmental objectives and continuously improve performance to realize the full potential of our personnel. Industrial relations were cordial and harmonious throughout the year.

7. Cautionary Statement

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectation are "forward looking statement" within the meaning of applicable laws and regulations. Actual results might differ materially from those either expressed or implied.

I have audited the accompanying standalone financial statements of AUTORIDERS INTERNATIONAL LIMITED ("the Company"), which comprises Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss Account and Cash Flow statement for the year ended 31st March 2019, and a summary of significant accounting policies and other explanatory information (herein after referred to as financial statements)

Qualified Opinion

In my opinion and to the best of my information and according to the explanations given to me, except for the effects of the matters described in the Basis of Qualified Opinion Paragraph, the financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India :

- (a) In the case of the Balance Sheet, of the state of affairs of the Company as at 31st March 2019
- (b) In the case of the Profit and Loss Account, of the Profit for the year ended on that date.
- (c) In the case of Cash Flow Statement, of its Cash flow for the year ended on that date.

Basis for Qualified Opinion

As referred to Note No. 26(g) of Additional Information to the financial statements, the company has provided liability in respect of leave encashment benefits payable to employees on retirement on actual calculation basis as not on actuarial basis as required in accordance with provisions as per Indian Accounting Standard no 19 on Accounting for Retirement Benefits issued by ICAI.

I have conducted my audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. My responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' Section of my Report. I am independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to my audit of the financial statements under the provisions of the Act and the Rules there under, and I have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit matters

Key audit matters are those matters that, in my professional judgement, were of most significance in my audit of the standalone financial statements of the current period. These matters were addressed in the context of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

Sr.No.	Key Audit Matter	Auditor's Response
1	Accounting of Gratuity liability on Defined benefit basis as per provisions of Ind AS 19 Refer Note No 26(g) of Notes to Accounts	Principal Audit procedures The company was accounting Gratuity liability payable to employees based on premium paid to LIC for Group Gratuity Policy i.e. Defined Contribution plan, however during the year the accounting was reviewed and it is observed that as ultimate liability of gratuity vests with the company irrespective of its coverage by policy and the said contribution of premium to be reckoned as Contribution to Defined Benefit plan and is accounted accordingly with relevant disclosures to Notes on Accounts of the company.

Information other than the financial statements and Auditors report thereon ('Other information')

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report thereon.

My Opinion on the financial statements does not cover the information and I do not express any form of assurance or conclusions thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or other wise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of the other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance) changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Ind As specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies ; making judgments and estimates that are reasonable and prudent ; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and the Board of Directors are responsible for assessing the Company's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility for the audit of the financial statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditors report that include my opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of the financial statements.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditors report to the related disclosures conclusions

AUTORIDERS INTERNATIONAL LIMITED

are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during an audit.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 issued by the Central Government in terms of the Section 143(11) of the Act, I give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, I report that :
 - a. I have sought and obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit .

AUTORIDERS INTERNATIONAL LIMITED

ANNEXURE B

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF AUTORIDERS INTERNATIONAL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

I have audited the internal financial controls with reference to financial statements of AUTORIDERS INTERNATIONAL LIMITED ("the Company") as of March 31, 2019 in conjunction with my audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

According to the information and explanations given to me and based on my audit the following material weakness have been identified as at March 31, 2019:

- (1) Proper books closure systems to be introduced so as to restrict back dated entries after the book closure.
- (2) Proper authorization systems to be introduced over passing of major journal vouchers so as to ensure proper provisioning and other finalization entries.
- (3) Periodical reconciliations to be carried out for major vendor/customer balances.

In my opinion considering nature of business, size of operation and organizational structure of the entity, except for the effects/possible effects of the material weaknesses described above on the achievements of the control criteria, the company has maintained in all material respects, an adequate internal financial controls system with reference to financial statements as at March 31, 2019 based on the internal control with reference to financial statements considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls with reference to financial statements issued by the Institute of Chartered Accountants of India.

I have considered the material weaknesses identified and reported above in determining the nature, timing and the extent of the audit tests applied in my audit of the financial statements of the company for year ended March 31, 2019, and the material weaknesses does not affect my opinion on the financial statements of the company.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

My responsibility is to express an opinion on the Company's internal financial controls with reference to financial statement based on my audit conducted in accordance with the Guidance Note and Standards on Auditing prescribed under Section 143(10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statement was established and maintained and whether such controls operated effectively in all material respects.

My audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their effectiveness. My audit of internal financial controls assessing the risk that a material weakness exists, and testing and evaluating the design

AUTORIDERS INTERNATIONAL LIMITED

and operating effectiveness of internal control based on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

I believe that the audit evidence I have obtained, is sufficient and appropriate to provide a basis for my audit opinion on the company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SIGNIFICANT ACCOUNTING POLICIES

a) Basis of preparation

The Financial Statements are prepared in accordance with Indian Accounting Standards (IndAS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015; and other relevant provisions of the Act and Rules thereunder.

The financial statements have been prepared under historical cost convention basis except for certain financial assets and financial liabilities measured at fair value.

Authorisation of Financial Statements: The Financial Statements were authorized for issue in accordance with a resolution of the directors on 30th May 2019.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of products and services and their realisation of cash and cash equivalent, the Company has ascertained the operating cycle to be 12 months.

The financial statements are presented in Indian Rupees, the functional currency rounded off to 2 decimal places.

b) Use of Estimates and judgements.

The preparation of financial statements in accordance with Ind AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the balance sheet and statement of profit and loss. The actual amounts realised may differ from these estimates.

Determination of the estimated useful lives of the Property Plant and Equipments

Useful lives of property plant and equipments are based on life prescribed in Schedule II of the Companies Act, 2013.

Recognition and measurement of the defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumption include discount rate, trends in salary escalation, actuarial rates and life expectancy. The discount rate is determined by the reference to market yields at the end of the reporting period on government bonds. The period of maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligation.

Recognition of deferred tax assets

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets to the extent that profit will be available against which the temporary differences and the carry forward unused tax credits and unused tax losses that can be utilized.

Recognition and measurement of provisions

Provisions are recognized when the Company has a present obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of obligation

Provisions are not discounted to present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

c) Property, Plant and Equipments.

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Costs directly attributable to acquisition are capitalised until the property, plant and equipment are ready for use, as intended by the management.

AUTORIDERS INTERNATIONAL LIMITED

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with expenditure will flow to the asset.

The residual values and useful lives of property, plant and equipment are reviewed at regular intervals and changes, if any, are accounted in line with revisions to accounting estimates.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

The cost property ,plant and equipments as on 1st April 2016, the Company's date of transition to Ind AS, was determined to it's carrying value at that date.

d) Depreciation

Depreciation on Plant, Property and Equipment has been provided on the straight line method based on the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or disposition of assets and the resultant gains or losses are recognised in the statement of profit or loss.

The estimated useful lives of assets are as follows:

Computer Equipment	3 Years
Office Equipment	5 Years
Furniture & Fixtures	10 Years
Vehicles	6 Years

e) Intangible assets and it's amortization

Intangible assets are stated at cost less accumulated amortization and impairment. The intangible assets are amortized at their estimated useful lives from the date they are available for use. Advances paid towards acquisition of intangible asset are classified as capital advances under other noncurrent assets in balance sheet. Software are amortized over their estimated useful lives not exceeding 36 months on a straight-line basis from the date they are available for use.

The cost of Intangible assets as at 1st April 2016, the Company's date of transition to Ind AS, was determined with reference of its carrying value at that date.

f) Financial Instruments

The carrying amount of financial assets and liabilities measured at amortized cost in the financial statements are a reasonable approximation of their fair value since the Company does not anticipate that the carrying amounts would be significantly different from the values that would be eventually be received or settled.

Financial Assets

Initial recognition and measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of financial asset.

Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive

AUTORIDERS INTERNATIONAL LIMITED

income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss ("ECL") model for measurement and recognition of impairment loss on the financial assets measured at amortised cost.

Loss allowances on trade receivables are measured following the 'simplified approach' at an amount equal to the lifetime (ECL) at each reporting date. Trade receivable are tested for impairment on a specific basis after considering the allowed credit period, security deposit collected and expectation about future cash flows.

Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at amortized cost net of transaction costs that are attributable to the respective liabilities.

Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities. The Company classifies all financial liabilities as subsequently measured at amortised cost except for financial liabilities at fair value through profit or loss except for financial liabilities at fair value through profit or loss.

After initial recognition, financial liabilities other than those which are classified as fair value through profit or loss are subsequently measured at amortised cost using the effective interest rate method("EIR).

Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit & Loss.

De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit & Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

Cash & Cash Equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

g) Employee Benefits:

Short Term Employee Benefits

AUTORIDERS INTERNATIONAL LIMITED

All employee benefits payable within twelve months of rendering the service are recognised in the period in which the employee renders the related service.

Post Employment/Retirement Benefits.

➤ **Defined Contribution Plans**

Contribution to Defined Contribution Plans such as Provident Fund, ESIC, etc., are charged to the statement of Profit and Loss as incurred.

➤ **Defined Benefit Plans:**

Contribution to Defined contribution Plans such as Provident Fund, ESIC, etc., are charged to the statement of Profit and Loss Account.

Defined Benefit Plans: The present value of the obligation under such plans, is determined based on an actuarial valuation by an independent actuary at the end of each year, using Projected Unit Credit Method.

In the case of gratuity, which is funded, the fair value of the plan asset is reduced from gross obligation under the defined benefit plans, to recognize the obligation on net basis.

Re-measurement of net defined benefit liability, which comprises actuarial gains and losses, and return on plan assets(excluding interest) and the effect of the asset ceiling (if any excluding interest) are recognized immediately in other comprehensive income.

➤ **Compensated Absences.**

As per company policy, employees can encash accumulated leave before the end of the accounting year and accordingly recognized as expenses in Profit and Loss Account. However, liability towards un-availed leave balance at the year end is calculated subject to maximum 45 days and leave encashment benefit is provided in Profit and Loss Account.

The company has not provided for liability in respect Leave Encashment payable to Employees on their retirement based on actuarial valuation as required under IND AS 19 on Accounting for Retirements benefits as issued by ICAI. However the same has been provided on actual calculation basis as mentioned in Significant Accounting Policies.

h) Foreign Currency Transactions:

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction. In case of liabilities incurred for the acquisition of fixed assets, the loss or gain on conversion (at the rate prevailing at the year-end) is recognized as income or expenses in the statement of profit and loss. Current assets and liabilities (other than those relating to fixed assets) are restated at the rate prevailing at the year end. The difference between the year-end rate and the exchange rate at the date of the transaction is recognized as income or expense in the statement of profit and loss.

i) Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a Substantial period of time to get ready for its intended use) are capitalized as a part of such assets. All other borrowing costs are charged to the Statement of Profit & Loss.

j) Recognition of Income and Expenditure

Revenue is recognized to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made.

The company derives revenues primarily from Car Rental and Tour Operating Services

Effective April 1 2018, the company has applied Ind AS 115: Revenue from contracts with customers which establishes a comprehensive framework for determining whether how much and when revenue is to be recognized. Ind AS 115 replaces AS 18 Revenue. The impact of the adoption of the standard on the financial statements of the company is insignificant.

Revenue is recognized on satisfaction of performance obligation upon completion of services to customers in an amount that reflects the consideration the company expects to receive in exchange for those services. The performance obligation in our contracts are fulfilled at the time of completion of service.

Revenue is measured based on transaction price which is fair value of the consideration received or receivable, after deduction of any discounts, and any taxes or duties collected on behalf of the government such as goods and services tax etc. Revenue is only recognized to the extent that it is highly probable a significant reversal will not occur.

Dividend income is recognized in statement of Profit and Loss Account only when the right to receive payment is established.

Interest income is recognized using Effective Interest Rate (EIR) method.

k) Cash and cash equivalents.

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

l) Taxation

Income tax expense comprises current tax expenses and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized in the statement of profit and loss except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

i.) Current Tax.

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for that period. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the balance sheet date.

Current tax assets and liabilities are offset only if, the Company:

- has a legally enforceable right to set off the recognized amounts; and
- intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

ii)Deferred Income Tax

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on reporting date.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses and credits can be utilized.

Deferred tax assets and liabilities are offset only if:

- Entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- Deferred tax assets and the deferred tax liabilities relate to the income taxes levied by the same taxation authority.

m) Provisions, Contingent Assets and Contingent liabilities.

➤ Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Provisions are not discounted to present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

➤ Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the standalone financial statements

Financial Risk Management.

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables.

The main purpose of these financial liabilities is to finance the Company's operations.

The Company's principal financial assets include trade and other receivables and cash and cash equivalents that derive directly from operations, security and other deposits.

The Company's operations expose it to credit risk and liquidity risk. The Company's focus is to reduce volatility in financial statements

1. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's trade and other receivables and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition,

current economic trends and analysis of the historical bad debts and ageing accounts receivable. The maximum exposure of credit risk in the case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing Credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose the company used a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

2. Liquidity Risk

Liquidity risk is the risk that the company will encounter difficulty in meeting its obligations associated with financial liabilities. The company consistently generates sufficient cash flows from operations and has access to multiple sources of funding to meet its financial obligations and maintain adequate liquidity for use.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans and by other means.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments
